Overall size (L x W x H)	mm	1325 x 725 x 2030	1600 x 725 x 1930

### WARRIOR Premium Work Positioning Stacker

The **WARRIOR** Premium Work Positioning Stacker is the perfect bridge between the conventional manual high lift pallet truck and a manual hand hydraulic stacker truck. High lift pallet trucks have a tendency to “lock down” over a lift height of 400mm. This may not be ideal in certain circumstances such as work positioning or van loading and this is where the **WARRIOR** comes into its own as you can manoeuvre the unit when fully raised.

Strong and very robust, the WRVV10 series comes with lift heights of 900mm and 1600mm. Lift is by a single cylinder/hydraulic pump unit. Manoeuvrability is made easy thanks to the proximity of ergonomic pushing handles and a sturdy pulling handle. The units are mounted on guarded polyurethane wheels and rollers all round therefore aiding a smooth and cushioned ride and are fully CE compliant. As usual, a full 12 months on Site parts and labour warranty applies.

Models	WRVV1009	WRVV1016
Capacity kg	1000	1000
Max Lift Height mm	900	1600
Min Fork Height mm	85	85
Fork Length mm	1170	1170
O/A fork width mm	540	540
O/A Length mm	1625	1625
O/A width mm	700	700
O/A Height mm	1220	1920

## Work Positioners

### WARRIOR Semi Electric MiniStacker

When frequency of lift is part of the equation premium **WARRIOR** Semi Electric Mini Stackers are extremely useful. **WARRIOR** WREMS MiniStackers are available in three models at 400kg and 3 lift heights being electro hydraulically raised and lowered. When labour costs need reducing this range of MiniStackers are ideal.

- ▶ Smooth positive efficient operation
- ▶ Light & easy to manoeuvre
- ▶ Smart chromium plated frame
- ▶ Powder coated forks and platform
- ▶ Smooth running braked steering wheels
- ▶ Supplied with forks and platform

MODEL		WREMS0485	WREMS4120	WREMS4150

Battery	Ah/V	ø12V/80Ah	ø12V/80Ah	ø12V/80Ah
Net Weight	kg	117	122	127

### WARRIOR MiniStacker

Our MiniStackers are excellent for the everyday light duty work area where loads to be lifted far exceed "the manual handling directive" but do not demand a heavy duty industrial stacker. With a capacity of 400kg and 3 lift height options the MiniStackers are suitable for many internal jobs.

- ▶ Smooth operating foot pump
- ▶ Position lifting
- ▶ Overload / pressure valve
- ▶ Smart chromium plated frame
- ▶ Powder coated platform
- ▶ Smooth running braked steer wheels
- ▶ Very manoeuvrable
- ▶ CE marked and supplied with certificate of conformity
